Life Begins in '40

### *Dear Alma Mater*

Now you're held in memory
By the nineteen forty class
Who grew within your walls of fame
These six years, now the past.

If these walls could tell stories
Of how the graduates grew,
They would reveal the joy we found
Behind the Gold and Blue.

Although we cross your threshold
And turn aside from thee,
We'll share the joys we shared before
As we live in memory.

By Betty Bach, 12B.

### *Class Song*

We raise our voices in song,
Our loyal hearts keep beating high,
As we express our gratitude
To you dear Muhlenberg High.

Our pleasant school days now o'er,
The time of parting has drawn nigh.
And so we sadly bid farewell
To you dear Muhlenberg High.

By Betty Bach, 12B.

# *CLASS HISTORY*

In the fall of '34 218 seventh grade students entered Muhlenberg. Now, after six busy years during which they have participated in plays, operettas, debates, sports and music, 94 of these students remain to form the class of '40.

During their seventh grade year the various home rooms presented several assembly programs, among which, "Around the Blue Wigwam," presented by members of 7A, was outstanding. Betty Tindle won the story telling contest to represent Muhlenberg at Kutztown Field Day.

In eighth grade 29 of the present seniors participated in the operetta, "Dawn Boy," and in eleventh grade 27 aided in the production, "The Mikado."

Donald Reinhold and Ruth Benner won the American Legion awards in eighth grade and the Woman's Club awards in ninth grade went to Reinhold and Emily Greenawald.

While in eighth grade members of 8A presented "Evangeline" in assembly and also as an evening presentation for their parents. The play was directed by Miss E. E. Staudt, their home room sponsor.

The following year 9B pupils presented a comedy in assembly entitled "Betty's Paris Hat," directed by Mrs. M. C. D. Wertz, home room sponsor.

In tenth grade E. S. Loose, home room sponsor, directed members of the 10A home room in a play "All in a Summer's Day." This same year class debates were held with seven class members participating. The 10B team won its debates from 10A and 11A, but were defeated by the senior debaters. Dorothy Phillips portrayed the leading role in the annual fashion show, "A Maid in Dismay" and a number of senior girls were models.

Muhlenberg was well represented at Kutztown Field Day meets by the present seniors. One of the outstanding records of achievement at this meet is held by Walter Koch. Representing Muhlenberg for five years in different contests, Koch has won a second and a first place in history and three first places in algebra.

Herbert Walborn, president; Edwin Biehl, vice president; Geraldine Anderson, secretary; Richard Fehr, treasurer, were the officers who led the class through its junior year. This year the class sponsored a spring dance. Three girls portrayed roles in the Girl Reserve play, "Look Who's Here," four members took part in the Little Theatre Club's Easter production "The Rock," and approximately 40 participated in the music departments' spring concert.

Edwin Biehl was elected class president for the senior year. Walter Koch, vice president; Geraldine Anderson, secretary; Betty Weidner, treasurer, were the other senior class officers. The senior class play, "Charm School" was presented Friday and Saturday, November 17 and 18. In addition to the 16 seniors in the play cast, several were members of the orchestra, directed by Charles Speth, which played on the evenings of the production.

Dorothy Phillips and Emily Greenawald led discussion groups at the state press convention at Reading Senior High School.

Five members of the class were elected to the National Honor Society in their junior year and nine more were elected in their senior year. Seven seniors participated in varsity debating, 11 in band, ten in orchestra and 15 were members of the **Observer** staff.

The basketball team, of which six seniors were members, won the Central Division Championship, and the swimming team, with six senior members won the Berks County Championship. In addition, eight seniors were on the soccer team and four on the track team. Girls' basketball team had seven senior members, six girls participated in track and three were cheerleaders.

Class visited the Berks County courts, held a senior prom and took a class trip up the Hudson.

Lack of space does not permit the naming of the members of the various teams and participants in the plays, operettas, debates and other activities, but most of their names may be found in the individual write-ups.

With money raised by its senior class play, the class, with the cooperation of the **Observer,** was able to have this yearbook.

And so the class will write a finish to its class history when it holds its commencement exercises Thursday and Friday, June 6 and 7.
